

Australian Animals Activity Pack

Welcome to your FREE copy of the Australian Animals Activity Pack.

Inside you'll find 10 pages of printable activities to keep your kids playing and learning.

Flash Cards

Page 1 - These cards are to help your kids (and you) learn the names of some of the most popular Australian animals.

I Spy Game

Page 2 - Count how many of each animal you can see and fill the number in the space provided at the bottom of the page.

Number sequence Puzzles

Page 3 + 4 - Put the numbers in the correct order to complete the picture. These puzzles will need to be cut out and preferably glued to a stronger piece of cardboard for stability.

Count and Clip Cards

Page 5 + 6 - Count how many animals are on the card and place a clothespin onto the correct number at the bottom of the card. These cards will need to be cut out and preferably glued to a stronger piece of cardboard for stability.

Animal Match Game

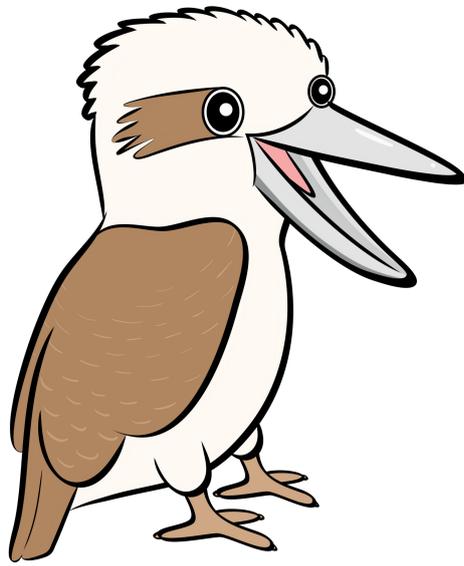

Page 7 - A row of the animals line the right and left hand side of the printable. Match the two that look the same.

Size Sequence Cards

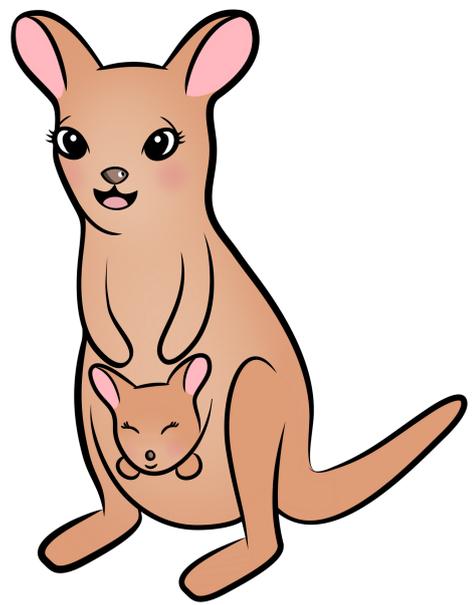

Page 8 - 10 - Arrange these cards in size order. Smallest to biggest, biggest to smallest. Or match all the animals which are the same size. These cards will need to be cut out and preferably glued to a stronger piece of cardboard for stability.
