Spring Flowers Math Game

About

Thank you so much for downloading this product. We hope that it will be a valuable resource in your Early Learning Classroom.

This activity is designed for children aged 4 years and older. They will learn counting, simple addition, and turn-taking.

Prep

Step 1: Download and print the page containing the flower game

Use the page as-is for an easy no prep activity, or laminate them to make them reusable.

Step 2: Grab some dice and bee or ladybug manipulatives.

Step 3: Enjoy learning.

Directions

Step 1: Give each child a toy bee or ladybug.

Step 2: Roll the dice. Count the number of dots and say which number landed facing upwards.

Step 3: Move the insect one flower for each number. Eg, roll a 4 and move forward four flowers. Follow the flow of the vines to make it to the finish line.
