Jellyfish Maze

About

Thank you so much for downloading this product. We hope that it will be a valuable resource in your Early Learning Classroom.

This activity is designed for children aged 3 years and older. It will help them to develop problem solving, hand-eye coordination, and pencil grasp.

Prep

Step 1: Download and print the page you would like to work on, or print the entire collection at once.

Use the pages as is for an easy no prep activity, or laminate them to make them reusable.

Step 2: Grab some crayons (or whiteboard markers for laminated sheets).

Step 3: Enjoy learning.

Directions

Option 1 (Worksheets): Draw a line from Marlin through the jellyfish. Try to avoid touching the jellyfish or else they'll get stung. Marlin is safe when they reach the turtles.

Option 2 (Giant whiteboard game): This is a larger version of the worksheets and have the same rules. Laminate the medium sized jellyfish and place a magnet on the back of each. Arrange these jellyfish on a large whiteboard.

Option 3 (Gross motor game): Use the large jellyfish to create a mat game for the class. Place the jellyfish randomly on the floor, children must make it through the maze without touching any of the jellyfish. This game can be made more difficult for older kids by placing the jellyfish closer together in some sections.
