1

Download and print the following pages onto a sheet of paper.

2

Cut out the dice template. Make sure to leave the tags on the side of the squares intact.

3

Fold along the lines of the dice and glue it together.

Place an old toilet roll, foam block or a ball of paper inside the dice. This will give it some extra stability.

4

Roll the dice and observe which picture is facing upwards.

5

Color in one of the rectangles, above the picture that is showing on the dice.

Repeat until 1 of the columns is filled in completely, or for 10 throws in total.
