Instructions

Materials Needed

- Halloween potions math game printable
- Printer and paper
- Laminating machine and sheets
- Scissors
- Plastic Cauldron

What's Included

Ingredient cards
Halloween dice
Regular dice

Instructions

1

Download and print the following pages onto a sheet of paper.

2

Cut out the dice template.

3

Fold the dice and glue the pieces together.

To give your dice some extra stability, place a foam cube, or ball of paper inside the dice before you close the top.

4

Laminate and cut out the ingredient cards.

If you are playing this activity with two sets of dice, you'll need at least 12 copies of each ingredient card.

5

Roll the dice.

Observe which number and which picture is facing upwards.

E.g. A jack-o-lantern and a 2.

6

Count out the same number of ingredient cards.

E.g. 2 jack-o-lantern cards

7

Place the ingredient cards into the plastic cauldron.

8

Repeat step 5 - 7.

Another idea that you may want to try, is to glue the ingredient cards onto a set of pebbles. This will give your potion more heft and add an extra dimensions for the kids to play with.
