Instructions

1

Download and print the following pages

You can print out several pages of the pattern completion cards if you would like to do this activity with a class.

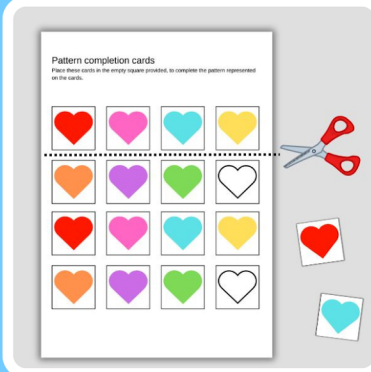

2

Laminate the pages.

This is optional. It just makes each of the patterns and cards more sturdy. If you are doing this activity with a class, then I recommend laminating each of the pieces.

3

Cut out each of the pattern completion cards.

You can also cut out each pattern card into their individual strips. But this is optional.

4

Observe the pattern before you.

Identify the pattern and discuss which color heart comes next.

5

Place the pattern completion card of the correct color in the empty box provided at the end of each pattern card.

Pattern completion cards

Place these cards in the empty square provided, to complete the pattern represented on the cards.
