

Instructions

Materials Needed

- The summer lacing cards, found in the following pages
- A laminating machine and laminating sheets
- A hole punch
- String or shoelaces

How to make the lacing cards

1. Download and print the following pages.
2. Laminate each of the pages.
3. Cut out each of the pictures.
4. Use a hole punch to make holes, where each of the small gray circles are.
5. Tie a shoelace, or a piece of string to one end of the lacing cards.

How to play

1. Take one end of the shoelace between the thumb and forefinger.
2. Push the end through one of the holes.
3. Pull the remainder of the shoelace through.
4. Move to the next hole and repeat steps 1 - 3.
5. Lace the shoelace through all of the holes of the lacing card.
