Instructions

1. Download and print the following pages onto some craft paper.
2. Cover your child's hand in green paint.
3. Press the hand down onto the middle of the tree trunk. (You can make as many handprints as you like with this tree. I used one in the middle and an additional two on each side of the trunk for this picture)
4. Lift up the hand and let the paint dry.
5. Dip your fingers into some paint and create dots all over the Christmas tree.
6. If you like, you can also use a black marker to draw a squiggly line joining all of the dots so that they look like Christmas lights instead of ornaments.

Merry
Christmas
